

Using Vmatch on your phone is as Easy as 1, 2, 3!

The new Vmatch app will bring clients to you right on your phone.

**No more paperwork, and you can directly set your rates with clients!
It's easy.**

Step 1 Login

You will receive an email from us with your user name and password to sign in to the Vmatch application, which will be available on the Apple App store and on Google play for Android users.

Once you get the App:

A Press **LOGIN**

B Enter your
username
(e-mail address)
and password

C Press **LOGIN**

Step 2

Starting and ending a client visit

- A** On the App's Calendar section, select your client for that day

- B** Once you arrive at your client location press **START VISIT**

- C** Your Calendar visit will turn purple

To end your visit:

A Go back to Calendar

B Press on your Client Visit

C When your visit is over, press **END VISIT**

You have now ended your visit!
The visit color is now teal on your Calendar.

Step 3 Updating your Profile.

A Go to the
NAVIGATION menu

B Select the
PROFILE tab

- ✔ Update **Availability**
(Your schedule)
- ✔ Verify **Payment Information**
(Direct deposit information)
- ✔ Update **My Expertise**
(Help clients choose *you!*)
- ✔ Upload your picture
(Professional is best)

Find clients in your phone

When you select the Notifications tab, you can:

- ✔ Accept referrals
- ✔ Negotiate your rate
- ✔ See changes to your scheduled visits
- ✔ See emails from Value Care
